

To Whom it may concern

STATEMENT

Hereby we state that the  branded PVDF fittings and valves are made solely of raw material coming from SOLVAY (SOLEF high purity) and they are suitable for the use with fluids listed in the chemical compatibility list of the technical documentation supplied by SOLVAY.

Furthermore the PVDF fittings are suitable for the pressure/temperature ratings stated in FIP technical documentation (catalogue).

In witness whereof

Casella, 28/10/02

ING. W. MORETTI
QUALITY MANAGER
